

To Melanie:

I couldn't have asked for a better internship placement. I feel so blessed to have worked with the staff and students at Theatre Peckham.

I have so many favorite moments from my time here. One of my favorite things about Theatre Peckham was being able to work and get to know all the trainees that worked on *The Magic Paintbrush*. It was so amazing to see so many people from all around the world come together and work as a team to create a beautiful show. Even with me only being here for about two months I saw the students grow in confidence and skill level. It brightened my day to see their smiling faces perform on stage everyday.

From the staff, trainees, to the students this experience has helped me grow as a person and as a designer. I wish the whole production team of *The Magic Paintbrush* the best of luck in December. Thank you Theatre Peckham for giving me lifelong friends and a new theatre family.
