

THEATRE PECKHAM

To our TP community,

In light of the government's announcement regarding COVID-19, as a preventative measure to slow down the spread of the Coronavirus, Theatre Peckham has made the difficult decision to close our building to the public from 17 March.

The health and safety of our Theatre Peckham community is our absolute priority and we know how great you are in supporting each other. We ask that you continue to pull together during this difficult time.

Even though our doors may be closed, we still want to continue to support our young people and we are exploring ways that we can keep them connected and give them a creative outlet to express themselves.

As a registered charity, the impact of closure on an organisation like ours, and many others, is a real threat to our existence and future. We will try and do everything we can to support our staff, members, community and artists.

If you were due to come to TP in the upcoming weeks, please bear with us as we attempt to contact everyone. We understand these are extraordinary times, however if you feel in a position to do so, please consider donating the price of your ticket, or another amount however large or small to Theatre Peckham to support us through this difficult time.

Thank you all for your continued support. Look after yourselves and stay safe.

TP Team
