

# WELCOME BACK TO THEATRE PECKHAM

We are committed to the safety of our staff, performers, students and guests.  
So, here's the plan...

## CONTACTLESS TICKETING AND PAYMENT

There will be NO on the door ticket sales!!! You MUST buy a ticket before entering Theatre Peckham.

All tickets are sent to your email, and all you need to do is show it on your phone.

Or if you're rocking the old school you can print it off but, really, there's no need.

## FACE COVERINGS

They protect everyone so unless you've got a good reason, we suggest you cover up. Also they are the catwalk look of the year and we wouldn't want you to feel left out.

## DEEP CLEANING

We will be following an enhanced and rigorous cleaning regime throughout the venue.

We have the necessary hygiene equipment such as gloves, hand sanitiser, antibacterial spray, cloths, antibacterial wipes and tissues.

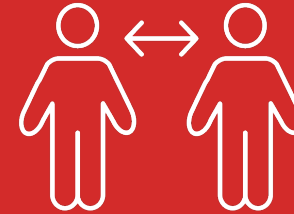

And remember... wash your hands.

## TEMPERATURE CHECKS

We'll use one of those super hi-tech forehead thermometers to take you temperature as you arrive so probably best not to run to the venue.

If your body temperature is above the usual level you may be asked to leave the venue. We will, of course, refund your tickets no questions asked.

## SOCIAL DISTANCING

This one relies on you. We'll keep the numbers in the venue manageable with a sensible capacity but it will be up to you all to keep your distance.

## HAVE FUN!

We want you to enjoy yourselves and feel safe in our South London home.

If you have any questions or worries about these measures don't hesitate to get in touch on [theatre@theatrepeckham.co.uk](mailto:theatre@theatrepeckham.co.uk)
