YOUR COVID19 FAQs

Theatre Peckham has re-opened!

But the Government have announced new guidelines

So you're probably feeling a bit confused...

Yay!

Oh!

Yep.

Don't worry, in light of further Government advice to help reduce the spread of Coronavirus, we've answered key questions about coming to Theatre Peckham to ensure your visit to our home is a safe and enjoyable one.

THESE KEY GUIDELINES STILL EXIST. PLEASE READ THEM CAREFULLY.

WHEN CAN I GATHER IN GROUPS OF MORE THAN 6?

- If you live in a household with more than 6 people, you can continue to gather in and attend all settings together. This also applies for your support bubble.
- So, it's absolutely fine to attend your TP Academy class, performances or events and we continue to put our stringent measures in place to ensure your safety. This includes social distancing guidelines, hand sanitiser stations and regular cleaning.
- This also applies to our TP Staff. We are allowed to have more than 6 people in the building providing they are not high-fiving, playing Twister or creating a human tower.

DOES THIS MEAN THAT NO MORE THAN 6 PEOPLE CAN COME TO THEATRE PECKHAM?

- Following our Covid-19 secure measures, we are able to host more than 6 people, but no one should visit in a group of greater than 6 (unless you are all from the same household or support bubble).
- We understand that if you see someone you know you'll want to do your special handshake, but we're afraid it will just have to be a knowing nod from a distance.
- We'll need to take your details at the door to sign you in on the register which we will use for the NHS Track and Trace. Your temperature will also be checked.
- Please wear your mask at all times, unless you're eating and/or drinking, under the age of 11 or medically exempt.

SO, IT'S OKAY TO WATCH A SHOW/EVENT AT THEATRE PECKHAM, EVEN IN THE THEATRE?

- Absolutely, in fact, we encourage it!
But remember, no more than 6 in a group, yeah?
Similar to Ghostbusters, we have a fancy spray called Crebisol which is certified to kill bacteria and the coronavirus. It leaves a protective film on our surfaces so don't worry if this is visible in some places.

IS YOUR CAFÉ OPEN?

- Unfortunately our café isn't open currently, but when it does we will be selling our usual delicious treats and snacks. Please download our app to see updates for the café.
