

PECKHAM VARIETIES

PRESS RELEASE

New Peckham Varieties are a new community arts organization based at St. Lukes Centre on the North Peckham Estate - a few minutes walk from Peckham High St. The project, at present funded by the GLC and Southwark Council with a new management committee composed entirely of local people, is developing work initiated by the old Peckham Varieties team when it was based at Peckham settlement.

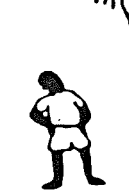

St. Lukes Centre provides a co-ordinating base for all kinds of arts activities and sets out to provide ways in which local people can learn to draw, paint, act, sing, dance and make music together.

We include a list of our present activities along with an invitation to meet some of the workers and participants at our PARTY NIGHT on NOVEMBER 8th 1985.

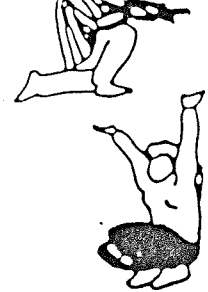

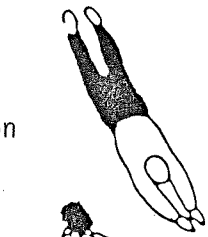

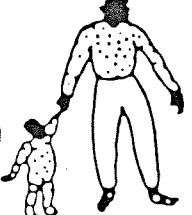

There will be an exhibition of work, a preview of the Childrens Christmas Show, performances by two new bands, disco, bar and food. A creche will be available.

HOPE TO SEE YOU THERE!
