Dear Parent\Guardian,

NPV SPONSORED TAP - 18TH JUNE 1992

Well here we go again another sponsored tap, just when you thought I had forgotten about the last one. But! as you did so well the last time we just had to give it another go.

The date has been picked the shoes are ready all we need now is you and your sponsor form full of sponsors to make it a big success.

Money for this event will be used to insert Dance bars and Mirrors into the new premises when we all come back in September 92. This equipment will help all children training for their dance exams as they will then be able to see and correct their own mistakes.

Children should arrive at normal class times for this event. Children taking part will dance non-stop for as long as they can manage up to one hour, except the youngest children who will be asked to dance for 30 mins. Sponsor forms for this event will be available in advance for your children to collect sponsors. It would be very helpful if you would help to supervise your child in this and the collection of the money after this event. Refreshments shall be provided for all children and ADULTS taking part.

If your child is interested in coming along and joining in this event, please fill in the attached form and return to me as soon as possible I shall be happy to answer any questions you might have.
